

HOLISTIC KIBBLE SATURATED WITH ORGANIC FREEZE DRIED INGREDIENTS

Great Life is the **most unique and nutritious** dog food to come to market. This **partially raw freeze-dried kibble** uses a **single animal protein source**, meant to treat protein allergies. Due to our unique cooking process, the kibble is **partially raw**, **maximizing the palatability and digestibility** for the reason that we completely saturate the kibble in our custom nutrient mix, **featuring organic and natural proteins; fruits, vegetables, enzymes, pre/probiotics, and antioxidants.** We make a big effort to maintain the integrity of the ingredients.

All of our ingredients offer a natural pathic purpose or remedy such that, the **pumpkin and squash ensures firm stool**, the **papaya settles the stomach**, **chia seeds boost the immune system**, **spouts boost digestive health**, and so on. **Naturally preserved**, Great Life will exceed your expectations.

All of our products are **free of hormones, GMOs, corn, soy, potatoes, by-products, pesticides, steroids, antibiotics, colors, fillers, and other additives.**

1. **Partially Raw Kibble that uses a PURE Dehydrated Meat**
2. **Single Animal Protein Source (Great For Protein Allergies)**
3. **Grain / Gluten, White Potato, Hormone, and GMO Free**
4. **Low Glycemic: Treat Diabetes and Ear Infections**
5. **Rich in Antioxidants, RAW Enzymes, and RAW Ingredients**
6. **Every Ingredient Serves a Naturopathic Purpose or Remedy**
