Grain & Potato Free

Regular / Grained

Dr. E's Limited Ingredient Diet is a **freeze-dried raw kibble** that is **specialy formulated for dogs with serious allergies, food sensitivities, diabetes, immune, organ, digestive and weight issues.**

Due to our unique cooking process, the kibble is **partially raw**, **maximizing the palatability and digestibility** for the reason that we completely saturate the kibble in our custom nutrient mix, **featuring organic and natural proteins; fruits, vegetables, enzymes, pre/probiotics, and antioxidants.** We make an effort to **maintain the integrity of the ingredients.**

All of our ingredients offer a **natural pathic purpose or remedy.** **Naturally preserved,** Dr. E's eliminates many known ingredients that cause allergy or intolerance.

All of our products are **free of hormones, GMOs, corn, soy, potatoes, by-products, pesticides, steroids, antibiotics, colors, fillers, and other additives.**

1. **Limited Ingredient Diet (9 Whole Ingredients)**
2. **Rich in RAW Active Enzymes, and Pre / Probiotics**
3. **Single Animal Protein Source (Great For Protein Allergies)**
4. **Lower Fat, Lower Protein & Lower Sugar Content**
5. **Low Glycemic: Treat Diabetes and Ear Infections**
6. **Specially Formulated for Dogs with Serious Allergies**
7. **Every Ingredient Serves a Naturopathic Purpose or Remedy**

“ A bag of ingredients; Dehydrated Meat, Bok Choy, Zucchini, Blueberries, Freeze Dried Kale Sprouts, Freeze Dried Red Clover Sprouts, Digestive Enzymes, Pre / Probiotics, Vitamins, Minerals, and Wild Salmon Oil ”
