- Safely Repels Fleas & Ticks without Harsh Chemicals
- Natural & Organic Ingredients
- Safe for Puppies, Kittens Nursing Mothers & Seniors
- Safe for the Environment & Around Children
- Non-Staining & Dries Grease-Free

How it Works

The active ingredient in Wondercide Flea & Tick products is cedar oil, which has been used for centuries to protect from pests (think Grandma's cedar chest!). Cedar oil works by blocking octopamine, which is necessary to regulate heart rate, movement, and metabolism in "bad bugs" like fleas and ticks. When cedar oil is present in the area, pests are repelled. When contacted by cedar oil, pests die.

To eliminate an **active** flea or tick problem, spray pets and indoor areas with Pets + Home for immediate relief. For best results, use Yard + Garden in any outdoor areas to eliminate fleas at the source. For **prevention**, simply use Pets + Home every 2-3 days, or when in untreated areas that may contain fleas. Treat any outdoor areas every 30-45 days and treat high-activity areas indoors quarterly.

Ingredients (Cedar): 10% Cedar Oil, 90% Hydrated Silica

Ingredients (Lemongrass): 10% Cedar Oil, 0.1% Lemongrass Oil, 89.9% Hydrated Silica

Kills & Repels: Fleas, Ticks, Mites, Mange & More!

Uses

Wondercide Flea & Tick Control for Pets + Home is a safe and effective alternative to flea & tick control products that contain chemical pesticides. It can be used as treatment for an active problem and as a preventative - all in one easy-to-use spray. Pets + Home dries clear and is safe for use on dogs, cats, pet bedding, furniture and flooring.

- ✓ Safe for dogs & cats of all ages
- ✓ Safe for furniture & flooring
- ✓ Safe around children
- ✓ Kills & repels full life cycle
- ✓ Natural & organic
- ✓ No artificial colors or fragrances
